

The logo for Humidi.co is centered on a background of green cannabis leaves. The word "Humidi.co" is written in a large, white, sans-serif font. Above the letter 'i' in "Humidi" is a cluster of five small circles in blue, green, yellow, and teal. A small "TM" trademark symbol is located to the right of the ".co".

Humidi.coTM

We Do Cool PackagingTM

Humidi™ products are designed specifically to protect cannabis and hemp, maintaining the perfect light, humidity, and temperature levels to preserve your product.

Cannabis & Hemp Specific

Humidi.co™ products are designed to meet the exacting standards of the ever-changing cannabis and hemp industries.

Child Resistant & Tamper Evident

Humidi.co™ packaging offers a variety of child resistant and tamper evident options that help ensure your products meet compliance requirements for safety.

Climate Controlled

Humidi.co™ products are designed to help maintain optimal levels of relative humidity for your products (58-62% RH). Extend the shelf life of your products, and preserve their terpene and cannabinoid profiles to ensure the best quality product.

New Easy To Load Bags

Seal

Humidibags™ are designed to be the most efficient, easy-to-fill bags on the market, saving time and money. Our patent-pending technology provides ease of use in processing and packaging flower. Our proprietary composition of plastics create an active humidity control barrier along with antimicrobial properties to maintain low oxygen levels, ensuring your product retains more of its natural terpene and cannabinoid profile.

Available In:

Colors: ☐ ☒ Sizes: 4 x 6, 5 x 8, 6 x 10

AVAILABLE IN CUSTOM SIZES AND CONFIGURATIONS.

Jars In Multiple Sizes

Humidijars™ are designed to create the optimal atmosphere to store cannabis while retaining proper moisture content, ensuring your flower is as fresh as the day it was harvested. We offer several different sizes of child resistant and tamper evident jars, providing a balance of moisture control and compliance.

Available In:

Sizes: 2oz, 3oz, 4oz

Lids Of All Types

Humidilids™ are offered in several different colors, material and style variations, giving your product maximum visibility on the shelf. They are designed to meet compliance in several market types to ensure that your company is meeting its packaging and preservation goals.

Available In:

Sizes: 2oz, 3oz, 4oz

New Caps In Multiple Colors

- *Two-Way Built-in Humidity Control*
- *Tamper Evident Indicator Ring*
- *ASTM Child Resistant Certified*

Humidicaps™ are designed with a built-in two-way humidity control. This allows flower that is dry or has excess moisture to achieve an optimal range of moisture content, ensuring a proper terpene and cannabinoid profile. Our patent-pending designs are unique and first of their kind on the market. Achieve prolonged shelf life while giving your customers the benefits of increased terpene retention.

Tubes Of All Types

Humiditubes™ are designed to be child resistant. Pre-Roll Tubes are an easy, convenient and safe solution for packaging pre-rolls. Our pre-roll tubes are made from recyclable, medical-grade, BPA-free polypropylene plastic or glass and feature a positive seal for enhanced freshness.

Available In:

Materials: Plastic or Glass

Colors: ☐ ☒ ☒ ☒ ☐ + Custom Colors

Liners Of All Sizes

Humidisacks™ are available in an array of sizes. Our industrial-strength sacks and liners are great for preserving your herbs and harvested crops, plus so much more!

Available In:

Sizes: 20" X 30", 48" X 32", 36" X 48"

Humiditech™ Sensors

Humiditech™ Sensors are a unique technology that enables you to check the relative humidity and temperature of your stored products remotely. Utilizing the Humipad™ app you can check if your stored products are being maintained at optimal levels, ensuring better terpene and moisture retention.

Auto & Manual Press Sealer

We offer simple solutions for small to large businesses all the way to major co-packers. Our wide range of equipment is designed to help reduce processing times. We can help automate your packaging processes, allowing you to save precious time and money.

The background of the entire image is a dense field of green cannabis leaves. A white rectangular border frames the central content. The logo for Humidi.co is centered, featuring the text 'Humidi.co' in a large, white, sans-serif font. Above the 'i' in 'Humidi' is a cluster of five small circles in blue, green, yellow, and teal. A small 'TM' trademark symbol is positioned to the right of the '.co' part of the domain.
